THE CHILTERN BREWERY'S DRAUGHT BEERS

Pint

Chiltern Pale Ale

Cask Ale 3.7% £3.65

A great example of a session ale. Gold; grape aroma; creamy, smooth and refreshing. When we first brewed this in 1980 it was the first commercially brewed new beer in Buckinghamshire since the war.

Beechwood Bitter

Cask Ale 4.3% £3.80

A classic best bitter. Amber; rich, butter-toffee aroma; fruity and hints of nut on the palate. Faithfully brewed since 1982, this is a cracking example of this traditional beer style. It takes its name from the famous beech trees in the area around the brewery.
